THE FOUR CHECKMARKS TO A SUCCESSFUL WATERFOWL HUNTERS EXPO REGISTRATION

☐ 1. CONTRACTS

Complete the exhibitor's contract. These may be submitted via the vendor portal system, scanned & e-mailed in, or via US Post. This is the agreement between our organization & yours, for the event. No space may be populated at the Expo, without a complete contract on file, first.

☐ 2. PAYMENT

For 2026, payment-in-full is due upon application acceptance, unless other arrangements are made in advance of that date, with WHE management. Refunds are available for canceled plans, before 06/1/26. Contracts must be affirmed for all returning spaces by 3/15/26, or the space could be re-opened and offered to others.

☐ 3. WI TAX ID REPORTING

The WI Dept. of Revenue requires all temporary event operators to report a full set of information on the organizers of the event, the details of the event, and each organization that exhibited there, both sellers and those who are not selling anything (display only). From the WI-DOR website: The event operator can require each seller to complete Form S-240, Wisconsin Temporary Event Operator and Seller Information or the substitute form of their choice. If a seller provides incomplete information or refuses to provide information, the event operator is required to submit as much of the required seller information as they have available.

Once your organization's appropriate WI tax ID information is logged into your vendor portal, we no longer need to update with your signature, annually (of of June '22). You can check your portal information when you log in - if those fields are populated - you're done!

Please help us with the process of collecting this required information, and turn in your information form (found in the vendor packet provided) as soon as possible, as you complete your contract and payment. It will speed things tremendously, at registration on Friday.

☐ 4. INSURANCE

ALL vendors are required to sign or affirm via the portal, the exhibitor contract, which acknowledges that you have added the following entities as "Additional Insureds" to your existing liability policy, or acquired a policy specific to this purpose, as detailed in section 7 of the vendor contract:

Wisconsin Waterfowl Association, P.P. Box 427, Wales, WI 530183

We will not be collecting certificates of insurance for this event, but by affirming/signing your contract, you acknowledge you have secured insurance as required in the contract.

Finish up these simple "4 check-marks" and you'll breeze through registration on Friday of the event, and avoid having Expo management "hunting for you" to complete one aspect of the required documentation or another. Your assistance & participation is greatly appreciated — THANK YOU!!
